

PARTS & SERVICE NEWS

REF NO. AA01084

DATE April 16, 2001

Page 1 of 2

SUBJECT: IMPROVEMENT OF MUFFLER MOUNTING BRACKET

PURPOSE: To replace the existing bolt on the muffler mounting bracket and to add a block to the bracket for support.

APPLICATION: WA120-3L Wheel Loader Serial Number A30178 and up

FAILURE CODE: A1V1FF

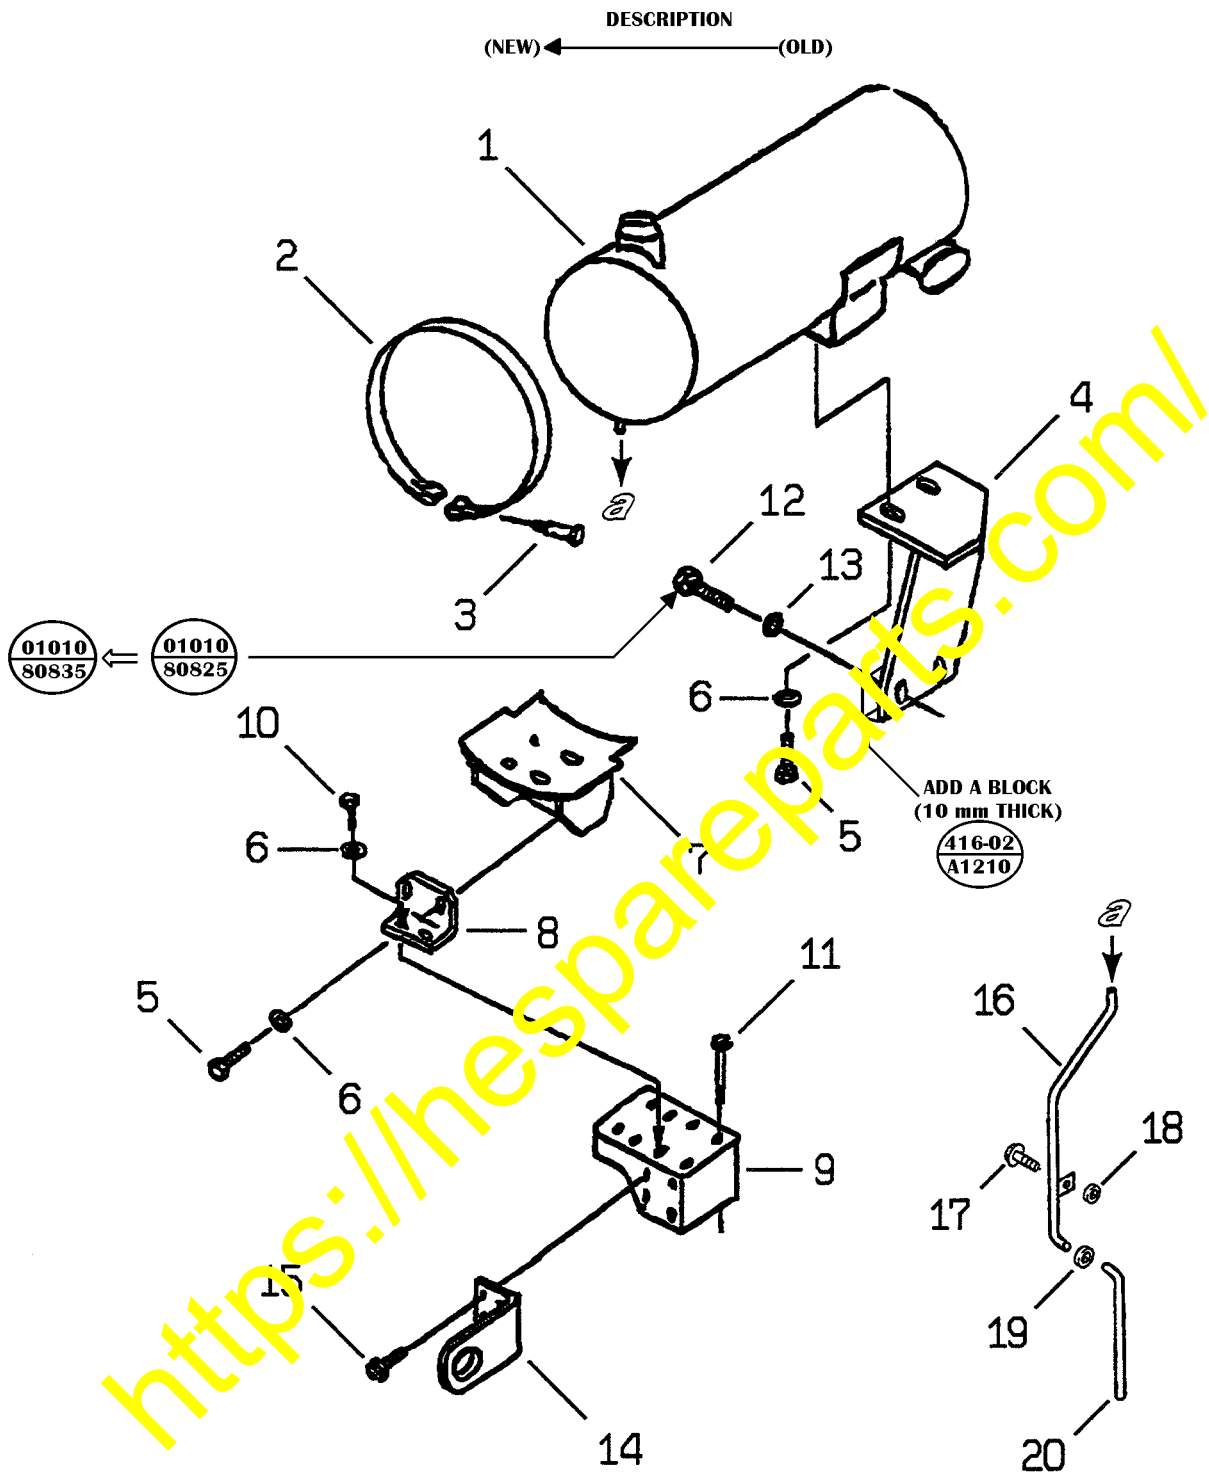

DESCRIPTION:

1. Introduction:

This Parts & Service News was created to provide a stock number for a new bolt to replace the existing bolt on the muffler mounting bracket and to add a block to the bracket for support (See Figure 1). The current bolt listed in the Parts Book has a tendency to break in the field.

2. Parts List
