

# PARTS & SERVICE NEWS

REF NO. AA01085

DATE April 16, 2001

Page 1 of 1

**SUBJECT:** ENGINE OIL DRAIN HOSE RELEASE

**PURPOSE:** To release the engine oil drain hose for service

**APPLICATION:** WA65-3 Wheel Loader Serial Number HA940051 and up  
WA75-3 Wheel Loader Serial Number HA940051 and up  
WA95-3 Wheel Loader Serial Number HA940051 and up

**FAILURE CODE:** A2HFPP

**DESCRIPTION:**

1. Introduction:

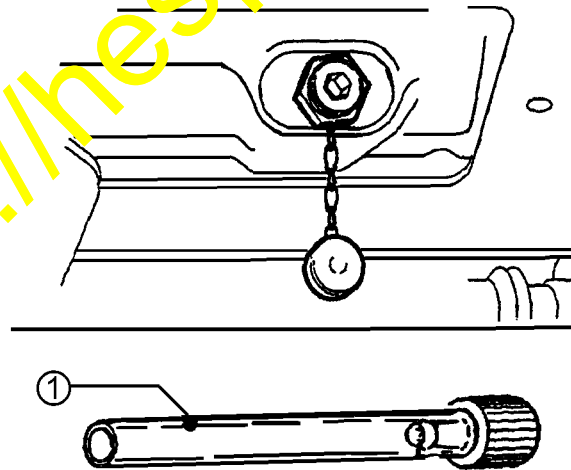

The Operation & Maintenance Manual states that the engine oil drain hose must be used in order to change the engine oil. Since the drain hose is not shown in the parts manual, the Parts & Service News was created to release the part for service.

2. Parts Procurement:

Draw the required parts from service stock or through normal parts channels

3. Parts List:

Item	Part Number	Description	QTY	Remarks
1	2992503M91	Hose, Drain	1	

VLPB0222

4. Direction:

Refer to the "Engine, changing oil and replacing the oil filter cartridge" section of the Operation & Maintenance Manual.
