REF NO.	AA02248
DATE	November 18, 2002

(C)

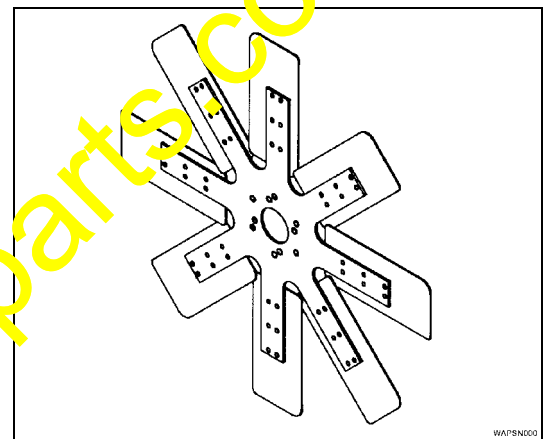

SUBJECT: REPLACE ENGINE COOLING FAN
PURPOSE: To introduce a new Engine Cooling Fan
APPLICATION: WA600-3L Wheel Loader Serial Number A52001 to A52226
FAILURE CODE: A630EA
DESCRIPTION: Engine fan 1131 998 C1 is replaced by fan 1131 998 C2.

Introduction:

A new more robust design engine cooling fan has been introduced for the above listed machine.

The old part number will no longer be available from Komatsu parts. The new part number is a direct replacement part for the old one and no modifications are required
