Page 1 of 2

**SUBJECT:** ADDITIONAL MIRROR ASSEMBLY, L.H.

**PURPOSE:** To provide additional visibility to the rear of truck, when traveling in reverse.

**APPLICATION:** Komatsu Mechanical Drive Dump Trucks:  
330M: A10190 - A10223, A10225 - A10227, A10231, A10232;  
HD785-5LC: A10144, A10224, A10228 and up

**FAILURE CODE:** 5551Z9

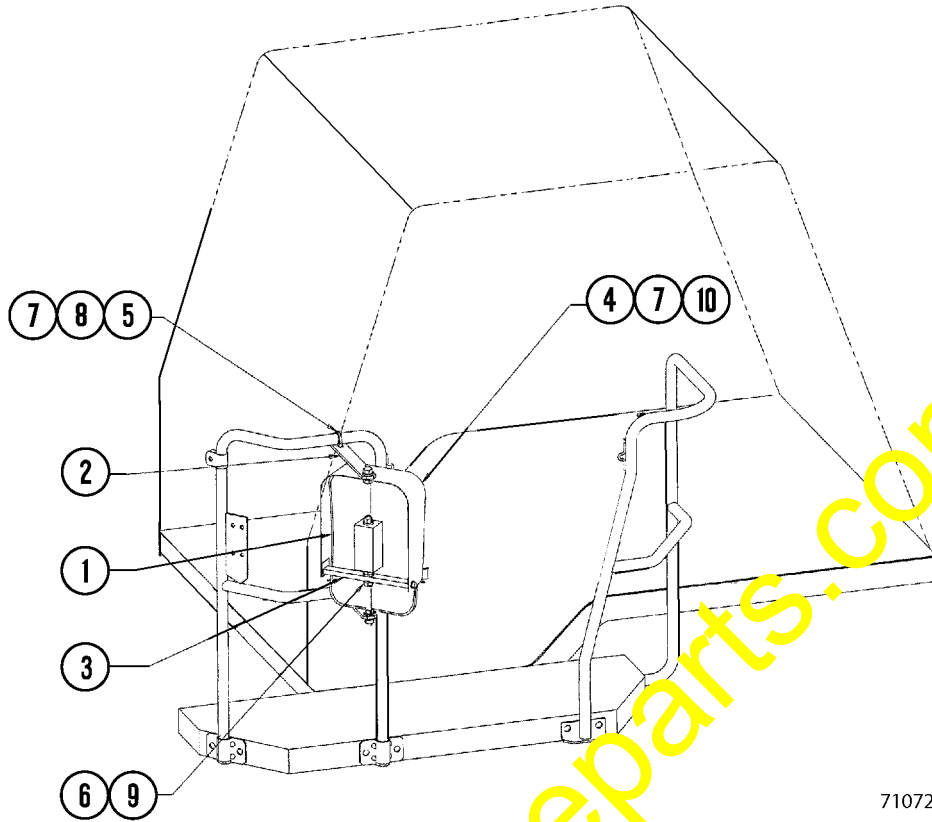

**DESCRIPTION:** Mirror Assembly Kit, L.H. (XK0289)

In order to improve visibility to the rear of the truck, a new kit has been developed which adds a mirror to the left hand rail. The contents of the new kit (XK0289) are listed below in Table 1. Figure 1 illustrates the placement of the new mirror.

*Note: Locate mirror on handrail to suit operator.*
