REF NO.	AA98046
DATE	April 27, 1998

Page 1 of 4

SUBJECT: HIGH PRESSURE FUEL PIPING

PURPOSE: To release revised parts information to the field.

APPLICATION: S4D102E-1: WA120-3L Wheel Loader

FAILURE CODE: A7J081

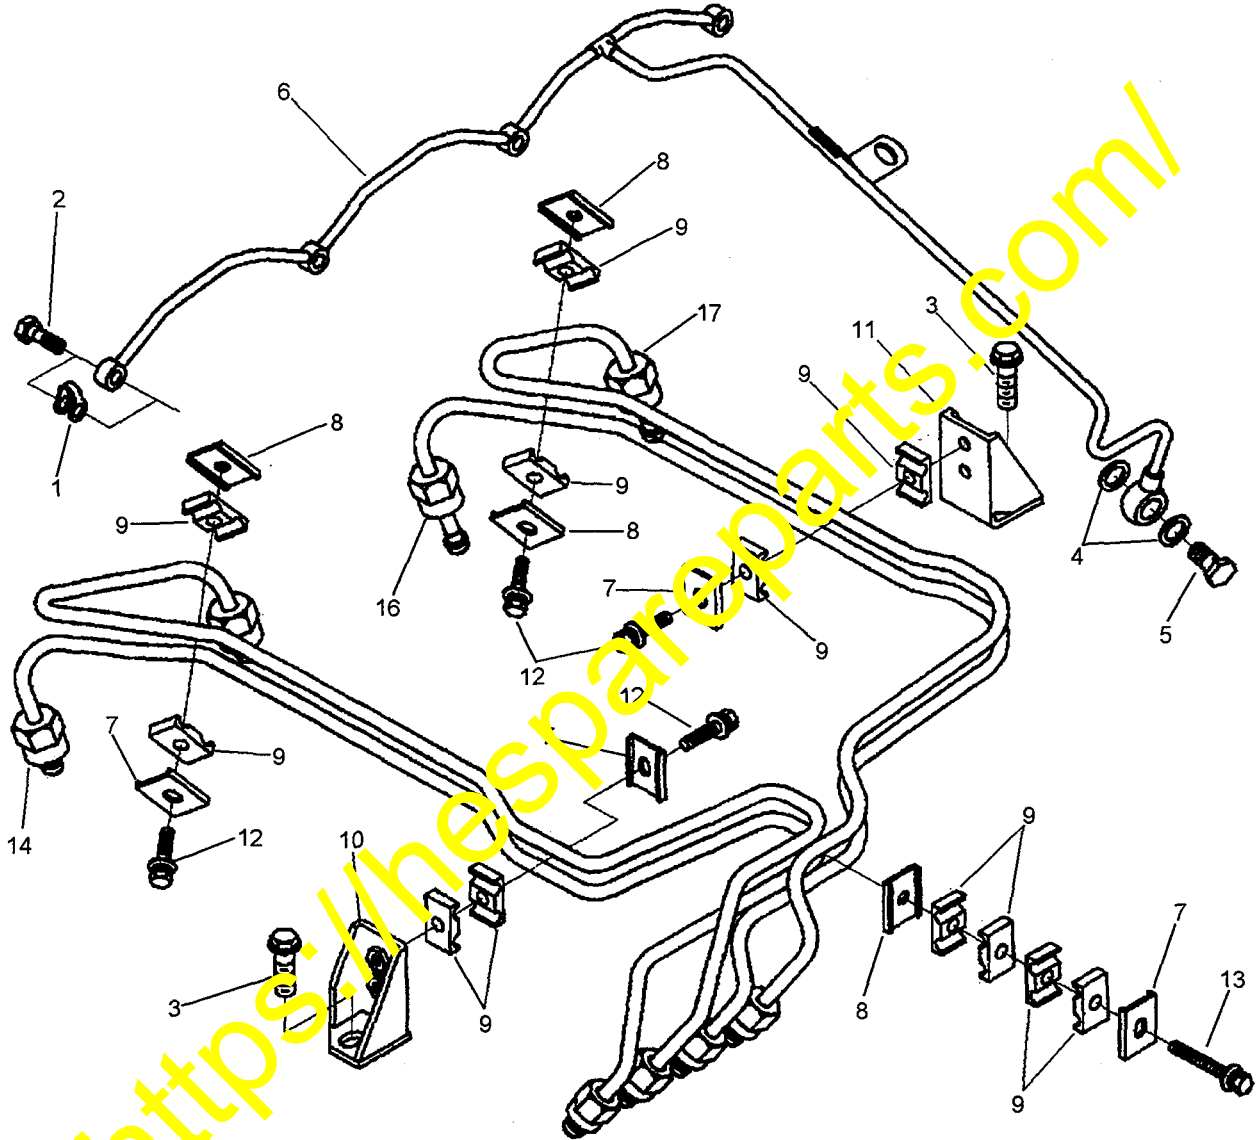

DESCRIPTION: To update the parts book with revised service parts information for the fuel piping on the S4D102E-1 engine.

Introduction:

In the original part book release for the S4D102E-1 engine for the WA120-3 application, several part numbers were incorrectly listed. The following pages of this PARTS AND SERVICE NEWS correctly indicates the service parts for the fuel piping.
